## Commissioner for Patents

In response to communications filed on 5/12/2008 by the Board of Patent Appeals and Interferences, an attached notice of Non-Compliant Appeal Brief is being sent to the Appellant for failure to comply with the summary of claimed subject matter in the appeal brief filed on 4/10/2006. When the Office holds the brief to be defective solely due to appellant's failure to provide a summary of the claimed subject matter as required by 37 CFR 41.37(c)(1)(v), an entire new brief need not, and should not, be filed. Rather, a paper providing a summary of the claimed subject matter as required by 37 CFR 41.37(c)(1)(v) will suffice. Failure to timely respond to the Office's requirement will result in dismissal of the appeal. See MPEP 1215.04 and 711.02(b).

/Nasser G Moazzami/  
Supervisory Patent Examiner, Art Unit 2136
